

**SA ENDURE**

## SPLITTER UNITS SASU

### TOTAL VERSATILITY IN POWER DISTRIBUTION

The SA ENDURE Splitter Boxes are exceptionally rugged and extremely compact units designed to cope with the most arduous environments.

Available as standard in 110v, 230v and 400v versions, they will give complete versatility to your temporary power installations. The standard units are rated splashproof to IP44 and there are also IP67 options.

### BENEFITS

- Extremely durable
- Fully PAT tested
- Available in different voltages
- Fast delivery times
- IP44 and IP67 options

### CORE PRODUCT INFORMATION

**SA ENDURE Splitter Unit 3 Way 110V**  
c/w 1 x 16A IEC IP44 Connector and 3 x 16A IEC IP44 Flange Sockets  
Order Code: SASU110/163W/NC/44

**SA ENDURE Splitter Unit 2 Way 110V**  
c/w 1 x 16A IEC IP44 Plug, 2 x 16A IEC IP44 Flange Sockets, and 1.5m H07RNF cable  
Order Code: SASU110/162W/01H0/44

**SA ENDURE Splitter Unit 3 Way 230V**  
c/w 1 x 16A IEC IP44 Connector and 3 x 16A IEC IP44 Flange Sockets  
Order Code: SASU230/163W/NC/44

**SA ENDURE Splitter Unit 3 Way 400V**  
c/w 1 x 32A IEC IP44 Plug, 3 x 32A 3P+E IEC IP44 Flange Sockets, and 1.5m H07RNF cable  
Order Code: SASU400/323W/01H0/44/3PE

**SA ENDURE Splitter Unit 3 Way 400V**  
c/w 1 x 32A IEC IP44 Plug, 3 x 32A 3P+N+E IEC IP44 Flange Sockets, and 1.5m H07RNF cable  
Order Code: SASU400/323W/01H0/44/3PNE

### SPECIFICATIONS

**VOLTAGE OPTIONS**  
24VAC, 42VAC, 110VAC, 230VAC, 400VAC

**Cable Length**  
1.5m (other options available)

**Cable Options**  
H07RNF Rubber (H0), Arctic Grade (AG), ASY Braided (SY)

**Plug/Flange Socket options**  
IEC IP44 (other options available)

**Ingress Protection**  
IP44/IP67 (depending on plug/coupler type)

**Operating Temperature**  
-20°C to +40°C

**Input**  
16A/32A Plug or Connector

**Output**  
16A/32A Flange Sockets
